

## PLAN OF ACTION: DIPLOMACY

### ***DIPLOMACY***

*Mission:* Encourage multi-cultural communication, negotiation and tolerance

*Strategic Actions:*

- Work for fair elections and encourage people to vote
  - Network and cooperate with more individuals from other countries, particularly women's groups working for peace
  - Become more involved in the local chapters of the United Nations Association
  - Lobby for increased participation of women in the peace negotiation process
  - Contact the United Nations to advocate for the scheduling of the 5<sup>th</sup> U.N. Women's Conference
  - Stay informed of international issues
  - Join or work with a non-governmental organizations (NGOs)
  - Promote the study of foreign countries in local school districts
  - Invite speakers from other countries to talk about their culture in public forums
  - Learn other languages to aid in communication and negotiation
  - Communicate with elected leaders regarding concerns for peace
  - Promote awareness of the Universal Declaration of Human Rights (UDHR) by assisting with local efforts surrounding the 60th anniversary of the UDHR.
  - Make peacemaking a priority in the planning of activities of faith groups
  - Raise our daughters and sons to be peacemakers for the world
  - Be an advocate for peace on a daily basis.
  - Set an example by living peacefully within the family and community
  - Campaign for the election of leaders who will work for international peace
-
