

## PLAN OF ACTION: LAW AND DISCRIMINATION

### ***LAW AND DISCRIMINATION***

*Mission:* Promote justice for all persons, regardless of gender, age, race, culture, sexual orientation or nationality

*Strategic Actions:*

- Become politically active
  - Work for, and elect, officials who believe in peaceful conflict resolution
  - Empower and finance women candidates
  - Support organizations that promote women candidates for public office
  - Listen to the opinions of others, including men, women and children
  - Sponsor a student in another country and support international students in our country.
  - Research issues affecting women and children, especially those held in refugee detention centers
  - Participate in local peace and/or women's organizations with similar goals
  - Research human rights and women's rights and schedule local forums to educate fellow citizens
  - Mentor young women
  - Be informed and educated on current events and human rights issues
  - Discuss human rights with our families
  - Highlight talented, qualified women in male-dominated fields
  - Research gender representation in government and contact political organizations regarding the current status, and ways to improve, gender representation
  - Work with local educators to establish gender education that includes women's studies and transgender topics
-
