

PLAN OF ACTION: VIOLENCE

VIOLENCE

Mission: To resolve conflicts through peaceful, non-violent means

Strategic Actions:

- Set an example as a role model for peace
 - Challenge candidates to use diplomacy in lieu of threats of invasion and war
 - Use existing peace networks to share best practices and stay informed of current violent conflicts and ideas for resolution
 - Contact and sensitize elected leaders to eliminate torture and terrorism
 - Schedule forums to discuss domestic violence and options that women have to protect themselves and their children
 - Join one or more groups that promote inter-faith and intercultural dialogue
 - Network with civil liberties groups
 - Research and expose fear tactics, neglect and abuse in prisons, and other forums that disrespect human dignity
 - Encourage spiritual groups to present workshops and study groups for non-violent problem solving and reconciliation
 - Organize community classes on mediation with the help of professional mediators
-
